

MID-AMERICA MEDIEVAL ASSOCIATION XXXIX

Collectivity & Exchange
with a keynote by Dr. Pamela Sheingorn

apers are invited on a range of topics, including the conference theme of “Collectivity & Exchange,” for the annual meeting of the Mid-America Medieval Assn, which will convene on Saturday, 28 February 2015, at the University of Missouri-Kansas City.

Collectivity might be imagined expansively to include not just temporal but also ephemeral and spiritual communities. Exchange might also be considered in various forms, from economic and material to ideological and philosophical.

Please send proposals of 250 words by 1 December 2014 to:
